30<sup>th</sup> Cycle

Year 2024

Explanatory Guide

Distinguished Individuals

Distinguished Student of Determination

## Description of the Distinguished Student of Determination

The UAE provides care for people of determination in all fields and at all levels through empowering and supporting them, especially in the field of education. Since its launch, the Award has been keen to ensure that this category demonstrates their distinction, innovation, abilities, and distinguished participation in social events. This category includes grade 3 to 12 or year 4 to 13\* students (people of determination) in public and private schools and in centers for special needs.

\*For schools that follow the British curriculum

1. All educational institutions, educational staff, and students in the United Arab Emirates in public and private education are eligible to apply for the Sharjah Award for Educational Excellence.
2. Applicants shall comply with the conditions related to the category for which they are applying.
3. Applicants shall not participate in any other award in the same category in the year of nomination for the Sharjah Award.
4. Applicants shall not participate in more than one individual/group category in the same cycle.
5. Applicants should not have won any educational award in the UAE in the same category before the expiry of a full cycle of the award from the year of winning.
6. Applicants should not have won the Sharjah Award for Educational Excellence in the same category before the completion of two cycles from the year of winning.
7. Evidence must be diverse, comprehensive, and inclusive of three previous years and not the current year only.
8. Application or/ and winning will be withdrawn in the case that evidence or the presented documents have been proven to be incorrect.
9. All submitted works are considered the property of the award after they have been submitted by the participant, and they shall not be claimed.

# Nomination Conditions of the Distinguished Student of Determination

- All students from grade 3-12 or year 4 to 13 in public and private schools in the country are eligible to apply for the award.
- Attach evidence of academic excellence:
  - obtaining 80% or more, or an average of B in the descriptive reports or their equivalent for each of the three years preceding the year of nomination (2021-2022\2022-2023\2023-2024), taking into consideration that it should be approved by the school and the educational authority, and that it follows the historical sequence starting with the most recent. The year 2023-2024 is approved as a reference point for calculating the student's grade, so a third grader or year 4 student, not a second grader or year 3 student in the year 2023-2024, is accepted. This applies to all grades.
  - As for students enrolled in special needs centers that do not include formal education system, they must attach a certificate from the center proving their enrollment and distinction.
